11th February 2025

11th March 2025

Course Organisers: Ms V Shetty, Prof M Munavvar, Dr S Gudur

For further information please contact

Surgicalsims@lthtr.nhs.uk

This is a unique course in the UK conducted jointly by Surgeons and Chest Physicians.

Suitable for F2 and above trainees from Surgery, Medicine, A&E, Orthopaedics,
Anaesthesia and Critical Care.

The course consists of series of lectures and workshops. Delegates will be taught surgical knotting and drain anchoring using a training jig. In the afternoon all delegates will practice various methods of chest drain insertion in a porcine torso.

Cost £300
