

Surgical Simulation Training

Advanced Gynae Laparoscopic Simulation (AGLS)

A three day advanced laparoscopic simulation course for Trainees (ST5+) and Consultants in Gynaecology seeking to develop their skills in Gynaecological Minimal Access Surgery.

The course offers a highly intensive hands-on training opportunity. Days 1 and 2 consist of lecture based training with dry lab participation with a simulator per delegate. Day 3 will be a full day of simulation on porcine cadavers with a high faculty to delegate ratio.

Numbers are limited to a maximum of 12 per course.

This course meets the theory requirements of the benign abdominal surgery ATSM in addition to providing the opportunity to operate in a wet lab.

Enhanced PPE will be available as per PHE guidance and appropriate social distancing will be adhered to throughout the course.

Duration: 3 Days

Date: 18/11/20

Cost (SAS Doctors & Consultants): £700

Cost (Trainees): £640

Venue: Education Centre 3, Chorley & South Ribble Hospital

Course Lead: Mr James Rowland & Mr Hani Shuheibar
