

Surgical Simulation Training

Basic Practical Skills – RCOG Franchised

Aimed at F1/F2 doctors, ST1/2 trainees in Obstetrics and Gynaecology

The RCOG Basic Practical Skills course (BPS) is designed to introduce trainees to safe surgical techniques and obstetric clinical skills, in a structured workshop environment. The course is standardised to ensure common objectives, content structure and assessment methods are followed and can be linked to the RCOG Training Portfolio and OSATS.
