

AV Support Packages & Services

All rooms at The Health Academy have top-of-the-range AV systems with a PC and laptop connectivity, as well as high-speed Wi-Fi throughout the buildings. If you require extra for your event, we offer the following packages and services. All prices are per day/event and include VAT¹. There is a 50% discount for Trust staff running income-generating events, and all non-income generating Trust events receive these services for free.

Technician Support Package - £500

- On-hand technician for any IT and AV issues all day throughout your event, such as assistance with connecting to Wi-Fi
- Your logos, sponsors or branding put on screens where possible. Also support with any multi-screen content on auxiliary screens
- A compatibility check of your devices and PCs on the AV systems to ensure any technology you are bringing on the day works fine
- A check of your presentation before the event to check all content and videos are working
- Event consultancy, so from start to finish your event can be as good as it can be and will go ahead without any issues
- Using in-house created software, we can offer time management in the form of traffic-light coloured feedback for the presenters to keep them on-schedule
