

Supported Return to Training (SuppoRTT)

Support for medical trainees at Lancashire Teaching Hospitals

Lancashire Teaching Hospitals is fully committed to the Supported Return to Training (SuppoRTT) Programme and its aim to support trainee doctors to return to clinical practice safely and confidently.

- Access to SuppoRTT Champions for returning trainees and their Educational Supervisors
 - Free attendance on SuppoRTT two day course (including simulation scenarios)
 - Period of enhanced supervision before returning to full duties
 - Signposting to additional services
 - Links with HEE NW and Lead Employer
 - Guidance and support from Trust Less Than Full Time Champion

Contact us as soon as possible if you are a trainee planning a break from training or returning to a LTH training post or if you are the Educational Supervisor of a returning trainee.
