Inter-professional Learning Sessions Timetable – May to July 2024

These sessions are for ALL specialisms of Learners to attend.

If you would like to book a place on one of the sessions you can do this via the E-Learning Portal by clicking on this link LTHTR E-Learning. Go to Courses and select the tab 'Inter Professional Learning (For Learners only)'.

If you have any questions or experience any problems with the booking system please contact the Student Trainee and Placement Support Team via email undergradstaps@lthtr.nhs.uk.

PLEASE NOTE - you will only be able to choose **3 sessions**.
Please see 'IPL Guidance for Learners'.

Failure to attend any session without prior notification will result in you being marked as absent and unable to attend future sessions.

Please Note - Certain Spoke Placements have restrictions due to Learners needing additional knowledge/skills and experience. These Spokes are highly sought after, and the Departments need to have an understanding of what the Learner/Trainee wants to achieve from these opportunities; and therefore have requested you answer 'Pre Attendance Questions'. Please see 'Course Notes' on the booking pages for each Spoke Opportunity. Any Learner not following the instructions and booking onto these without meeting the criteria or completing the relevant will be removed and no explanation given.
