

3rd Preston Peritoneal Dialysis Catheter Insertion Course

Friday 5th June 2020

**Education Centre I, Royal Preston Hospital, Preston,
Lancashire, UK**

Sponsored by

Baxter

Foreword

The main aim of this course is to provide hands on introductory training on Peritoneal Dialysis (PD) catheter insertion. It will provide teaching on the indications, contraindications and complications of peritoneal dialysis from the practical point of view. The course is condensed over one day with plenty of hands-on sessions in small groups. You will have the opportunity to practice percutaneous insertion of the PD catheter using purpose-built models in a stress-free setting.

Organisers

- **Dr Aimun Ahmed**, Consultant Nephrologist, Department of Renal Medicine, Lancashire Teaching Hospitals NHS Foundation Trust

Phone: 01257 247681 (Surgical Sim & Technical Courses Team)

Email: surgicalsim@lthtr.nhs.uk
aimun.ahmed@lthtr.nhs.uk

- **Dr Arvind Ponnusamy**, Consultant Nephrologist, Department of Renal Medicine, Lancashire Teaching Hospitals NHS Foundation Trust
- **Dr Sharmila Bandyopadhyay**, Speciality Doctor in Renal Medicine, Department of Renal Medicine, Lancashire Teaching Hospitals NHS Foundation Trust

The course also offers 6 CME points by the Royal College of Physicians in London.
