

An overview of e-journals and databases – practical exercises

1. You want to find best practice on providing radiography services to patients with dementia. Where would be a good place to start? Find two useful resources.
2. You had a patient earlier today who has Moyamoya and you want to find out more about it. Where would you look?
3. A colleague has told you about a really good article in Synergy on leadership by Carl Bradbury - try and find it.
