

LTHTr Library app—MyCirqa

What is MyCirqa?

MyCirqa is an app which enables you to view your current loans; view any overdue items, charges, messages or reservations; view items ready for collection; and also lets you renew your loans.

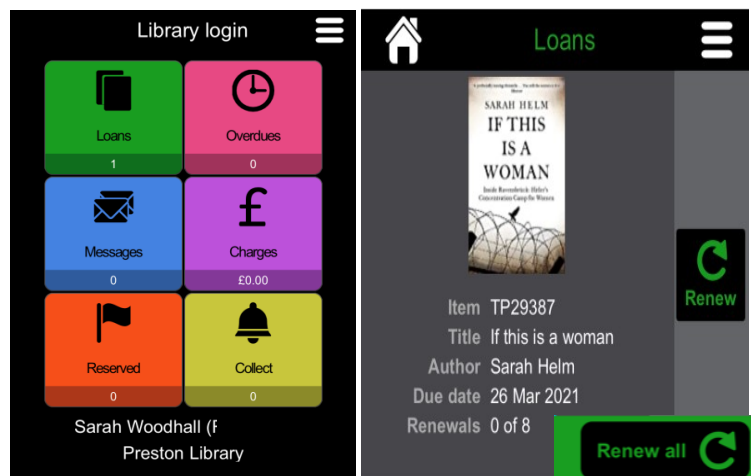

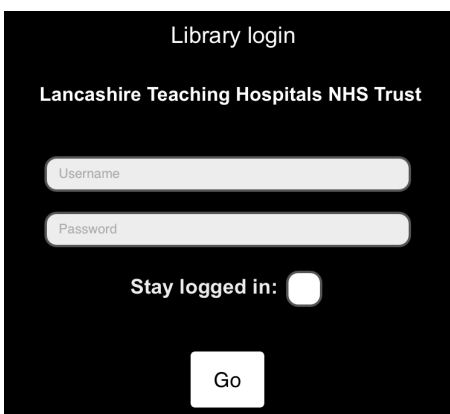

How do I access MyCirqa?

1) Download the MyCirqa app on any **Apple** or **Android** device from the app or play store.

2) Log in - Please enter **Lancashire** under Choose your library then choose either **Preston** or **Chorley** as your home site. Your username is the **RP** or **RC number** on the barcode you were given upon joining the library. Your pin number is the last 4 digits of that barcode.

3) Renew your books by clicking on the Loans button from the home page. This will show you all the loans you currently have.

Click the Renew button by individual titles or click Renew all.

4) You can renew your books 10 times before you need to bring them back to the library. Please note you will not be able to renew your book if it has been reserved by another user.

5) If you have problems or need assistance then please contact the library on library@lthtr.nhs.uk or call us on 01772 522763 (RPH) 01257 245606 (CDH)
