

# THE ROLE OF A PRACTICE DEVELOPMENT FACILITATOR

## How can we support you?

### Learners

- Welcome and orientate you to your clinical placement
- Supervise, teach and assess your clinical skills
- Aid with your preparation for your meetings
- Support you with evidencing your Proficiencies

### All clinical staff

- Support; all clinical staff in Preceptorship, Practice Assessors, Practice Supervisors and LEMs with the duties required to support their learners
- Provide CLiP<sup>®</sup> guidance
- Signpost staff to the Clinical Placement Support Team and Learner Support when applicable
- Support staff in the delivery of bedside teaching

Any questions please email Placement Expansion Lead Laura Kilfoyle [laura.kilfoyle@lthr.nhs.uk](mailto:laura.kilfoyle@lthr.nhs.uk)
