

Junior Doctors' Induction Week

Looking for **fast answers** to your clinical questions?

DynaMed® combines the highest quality evidence-based information with a user-friendly, personalised experience that delivers accurate answers fast – **ranked #1 Best in KLAS CDS review**. DynaMed is paid for by your local NHS Health Library and is completely free to access.

[Access DynaMed with Your NHS OpenAthens* Account](#)

Why DynaMed?

Ensures Confidence in Practice:

Our content is created using a rigorous **evidence-based methodology, robust systematic literature surveillance,** and **clinical expertise** that complements and clarifies the evidence, plus links to NICE Guidelines.

Saves Time:

Key takeaways, targeted synopses, and **clearly defined recommendations** maximize efficiency, **reducing time-to answer** with information that is quickly accessible and actionable.

Creates an Individual Experience:

Your free **personal user account** provides time-based tracking to aid CPD, allowing DynaMed to remember user preferences, providing the information you need quickly, across all devices.

Provides Anytime, Anywhere Access:

DynaMed is fully integrated into your workflow with features including EHR integration, a **FREE, convenient mobile app** and single sign-on capabilities using your **FREE Open Athens* NHS Library account**.
