Placement Expansion Support Team
pes@lthtr.nhs.uk

Overview:
The Placement Expansion Support (PES) Team is a multiprofessional team

- Which create new placement opportunities for all our learners including AHP's, student nurses, student midwives and medical students
- Focusing on implementing digital solutions to the learning environment to enrich the learners experience
- Piloting improvement models to offer additional support to our learners and learning environment
- CLiP™ Lead within the Trust who help embed good practice and support with the CLiP™ model for all CLiP™ placements.
