

# DynaMed™

## NOW AVAILABLE

Get answers to clinical questions everywhere you go with the new *DynaMed* mobile App  
**Easy, one-time authentication via email!**

*DynaMed* provides clinicians quick and easy access to evidence-based information at the point-of-care.

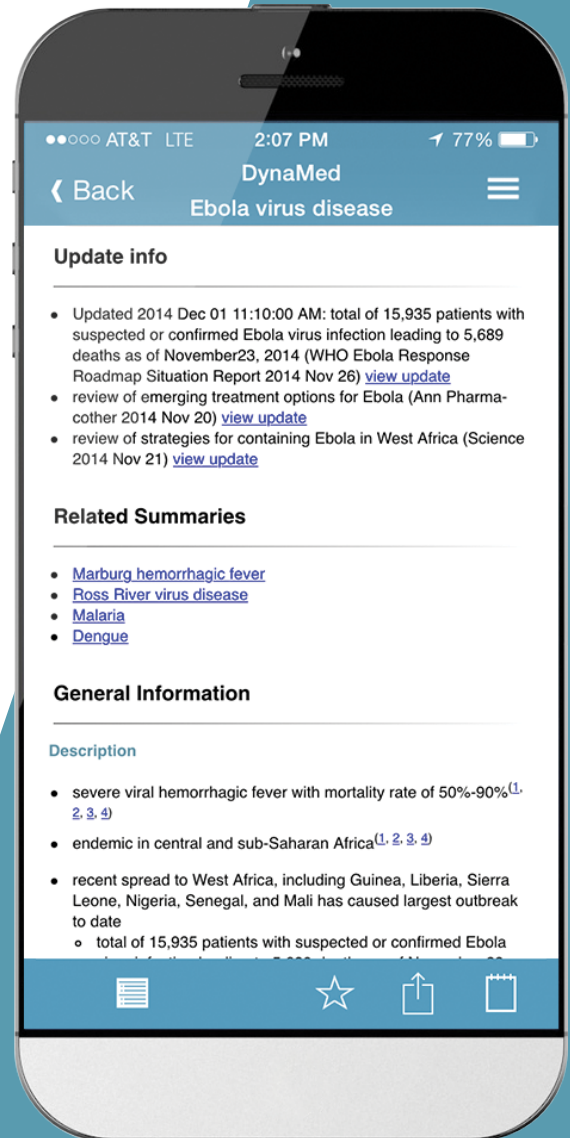

**Why Pay Extra for an App? Some companies charge extra for a mobile App. *DynaMed* is different. The *DynaMed* mobile App is complimentary with your subscription, giving you access to all of the content on your iPhone, iPad and Android devices.**

The new *DynaMed* App provides you with:

- Improved user experience
- Seamless authentication
- Easy access

Features that meet your needs:

- Access content offline
- Bookmark Favorites
- Email topics
- Write and save notes about particular topics

See reverse side to find out how to download the App now!

# Download the *DynaMed* App today!

1. Download the free *DynaMed* App from the iTunes Store or Google Play.
2. Access *DynaMed* from the hospital.
3. Click on the DynaMed Mobile Access link from *DynaMed* and enter your email address. The link will be located in the top toolbar. An authentication key will be emailed to you.
4. Open the *DynaMed* email from your device.
5. Within 48 hours, tap on the link in the email to authenticate the App.

**Note:** after 48 hours, you will need to request a new authentication key.

6. Your device is ready to go!
