

Chest Drain Insertion Masterclass

Education Centre 3, Chorley & District Hospital, Lancashire (PR7 1PP)

FRIDAY 6TH OCTOBER 2023
FRIDAY 3RD NOVEMBER 2023
FRIDAY 8TH DECEMBER 2023

Course Organisers: Ms V Shetty, Prof M Munavvar, Dr S Gudur

This is a unique course in the UK conducted jointly by Surgeons and Chest Physicians. Suitable for F2 and above trainees from Surgery, Medicine, A&E, Orthopaedics, Anaesthesia and Critical Care.

The course consists of series of lectures and workshops. Delegates will be taught surgical knotting and drain anchoring using a training jig. In the afternoon all delegates will practice various methods of chest drain insertion in a porcine torso.

Cost £300.00
